KENYA HOUSES
INVESTMENTS CO. LTD
Your professional real estate developer

CONSTRUCTION FINANCING
BOREHOLE DRILLING

Build today. Pay with an affordable payment plan.

Financing for residential and commercial construction projects, plus Borehole Drilling Solutions.

CONSTRUCTION FINANCING

Your project, financed from foundation to roof.

Pay an agreed amount to start construction and clear the balance over time. Whether you are building a family home or an income-generating property, we build to your budget and needs.

Residential

Bungalows, maisonettes, family homes and rental units.

Commercial

Apartment blocks, hostels, offices and business premises.

Keep the work moving

Financing that follows your build, stage by stage.

ALSO AVAILABLE

Borehole Drilling Solutions and Financing

Secure a reliable water source for your home, farm or business, and spread the cost through an agreed payment plan.

- From site survey through to borehole development
- For homes, farms and businesses
- Same simple requirements and an agreed payment plan

WATER WHERE YOU BUILD

How it works

1. **Apply**
   Fill in the application form.

2. **Share your documents**
   ID, land ownership papers and project drawings.

3. **Agree your payment plan**
   Based on the verified project cost.

4. **Start Building / Drilling Water**
   Your project gets moving.
